Longevity (employees hired before July 1, 2023)

Longevity pay begins July 1 *after the completion* of 10 years, 15 years, 20 years and 25 years of service. The pay is applied as an additional percentage of Range and Step placement:

- 2% per year, starting July 1 of the 11th year of employment
- 4% per year, starting July 1 of the 16th year of employment
- 6% per year, starting July 1 of the 21st year of employment
- 8% per year, starting July 1 of the 26th year of employment

Longevity calculations start with the original date of hire, and include all years not impacted by breaks in service.

Employees hired on or after July 1, 2023, are not eligible for a longevity stipend.

Placement on Salary Schedule

- Maximum initial placement
Maximum initial placement will be Step 3 with 3 years of verified teaching experience. The Superintendent may place an employee on any step, at their discretion, to meet the employment needs of CRY-ROP.
- One-Time Signing and Retention Bonus
Eff. 11/1/2021, newly hired teachers in industry sectors that are difficult to fill, may be offered, at the discretion of the Superintendent, a one-time signing and retention bonus of \$2,000, one half at 3 months from hire date payable on the 1st of the following month and one-half payable at the completion of one year from hire date.
- Initial Placement
Final placement will be made only when official verification has been filed with the CRY-ROP Human Resources department and must be provided within six (6) weeks of the initial hire date. Upon verification, adjustment to the initial salary placement will be made effective on the first day of the following month. Verification of units requires an official, sealed transcript and/or official industry certification from an accredited college, university or trade school that indicates quarter, semester or clock hour attendance. Verification of work experience must also be submitted.

Education and Credential Changes for Range Placement

- Adjustments in salary schedule position will be made if the employee meets the following criteria: (1) academic work is completed by the end of the current semester, and HR is notified in writing **30 days prior to the end of the current semester**; (2) Official transcripts verifying the completion of coursework is received in the Human Resources Office within two weeks of completing the coursework in the previous semester. **If the criteria above are not met**, no further adjustments will be made until the following school year. If the criteria is met, the adjustment in salary schedule position will be made effective the first day of the new semester after the approval of the Governing Board.
- Doctoral Pay
Doctoral stipend will be applied as an additional 2% of Range/Step placement on the first day of the second month following receipt of the proof of eligibility. Doctorate award date must be posted on the official, sealed transcript.

Step Increases

Each eligible certificated employee will receive a step increase on July 1 of each year, with a positive evaluation, as approved by the Governing Board, unless there are no more steps available on that range.

- Employees who serve seventy-five percent (75%) of the teaching days in paid status shall have

that year count as a year of experience for hourly rate purposes and will be eligible for a step increase on July 1 of the next calendar year.

- Teaching assignments that are less than full-time are eligible for step increases every other year.

Additional Non-Teaching Hours

The non-teaching hourly rate is \$35.00 an hour for certificated staff. Additional paid time must be preapproved. Documentation is required and time sheet turned in by the 24th of each month. Examples of non-teaching hours are the following:
