Nurse Assistant-Certified

Program Description:

Nurse Assistant–Certified-This program is designed to prepare students for employment as a Certified Nurse Assistant in a variety of settings. Students will learn patient care, observation and communication skills with an emphasis on caring for the geriatric resident in a long-term care facility. The program prepares students to be successful in the work place by teaching instruction (theory) and 100 required clinical hours.

NA– Certified Program Costs Include:

- **BLS CPR/AED Certification from the American Heart Association**
- **Uniforms (2 Sets)**
- **Textbook & Workbook**
- **Fingerprinting**
- **State Testing Fees**

Program Prerequisites:

Basic reading & math assessment required. Call for testing appointment. Testing is free.

Students are required to attend all class/clinical sessions as scheduled.

Students are required to have proof of a current physical, TB screening, proof of annual flu and COVID immunizations.
